

Dear Valued Sponsors and Rainbow "Lifting Lives" Supporters:

We could not have done it without you in 2020, nor can we reach those in need without you in 2021.

We have fantastic news!

Our last Human Impact Fundraiser was a huge success, and we would like to take the time to thank you properly. Your sponsorship not only gave the financial support needed to lift lives across the country, but the opportunity to witness life-sustaining programs and services delivered to the most vulnerable low-income individuals, families, seniors, veterans, and disabled across our industry. Your unwavering support allowed us to prove our resilience amid some of the most trying times. Motivated, we enhanced and created new and improved pathways to collaborate and connect our services to residents, engage with greater empathy, and provide immediate, life-sustaining supportive services.

Our Human Impact Fundraiser, with your help, provided emergency food and water resources, COVID-19 testing, vaccinations, and supplies to stop the spread of the pandemic. We further focused on immediate employment, career pathways, mental health resources, and technology-based education for school-aged youth across 17 states and just short of 17,000 households. It is incredible what can happen when we all work toward lifting lives together.

www.rainbowhousing.org

We are asking for your support in raising \$250,000. The supportive funding will help us establish Rainbow Food Banks across the country, expand our technology-based programming focused on education, employment, financial literacy, physical and mental health wellness initiatives, youth enrichment programming, and sustainable life skills to over 40,000 individuals and families.

Would you be willing to help us by sponsoring our programs and services as a return or first-time supporter?

Your generosity means the world to us and, more importantly, to those our organization's mission is structured to serve. The support from our sponsors helped us host our most successful fundraising event in 2020. As the number of those we are serving grows, so does the need for financial support.

Thank you, again, for everything. We hope you will find an opportunity to share in our efforts to raise the necessary funding to empower social and economic world change by supporting our Human Impact 2021 Fundraiser.

Warmly,

Flyn
