Dear Valued Sponsors and Rainbow "Lifting Lives" Supporters:

## We have fantastic news!

This year Rainbow is celebrating two decades of lifting lives! We would like to take the time to thank you for allowing us to continue our mission over the years. Your sponsorship has not only given the financial support needed to lift lives across the country, but the opportunity to witness life-sustaining programs and services delivered to the most vulnerable low-income individuals, families, seniors, veterans, and disabled across our industry. Over the years, your continued support has allowed us to grow our capacity to lift lives from the initial 1,180 households we served from inception to the just short of 24,000 we serve today. Motivated by our mission, we have enhanced our ability to collaborate and connect our services to residents, engage with greater empathy, and provide immediate, life-sustaining supportive services.

Our Human Impact Fundraiser, with your help, provided emergency food and water resources, COVID-19 testing, vaccinations, and supplies which sustained our communities through the most difficult years in recent history. We further focused on immediate employment, career pathways, mental health resources, GED program improvement, crime prevention, mobile health clinics, and technology-based education for school-aged youth. It is incredible what can happen when we all work toward lifting lives together.

With your help in 2022, we will move more families toward financial freedom and independence. We will maintain our steadfast commitment to workforce development, career pathways, immediate employment, and financial literacy. We will continue to make successful partnerships with national organizations to bring credit counseling services and banking initiatives to more individuals. Members of our team will enhance their skillsets by training to help more people achieve financial freedom as FreddieMac CreditSmart Coaches. Even with the continued challenges of the pandemic, our custom approach to expanding supportive services is building more resilient communities.

This year we will be returning to Scottsdale, Arizona for our in-person Annual Awards Banquet and pay-for-play golf tournament. Our fundraising goal this year is \$500,000 as we prepare for our next 20 years of Lifting Lives. Our hope is to raise these funds prior to the banquet during our virtual Human Impact Fundraiser.

This supportive funding will help us establish Rainbow Food Banks across the country, expand our technology-based programming focused on education, employment, financial literacy, physical and mental health wellness initiatives, youth enrichment programming, and sustainable life skills to over 40,000 individuals and families.

**Would you be willing to support us by sponsoring our programs and services as a return or first-time supporter?**

Your generosity means the world to us and, more importantly, to those we serve. Your support allowed us to experience our most successful fundraising year in 2021. As the number of those we are serving grows, so does the need for continued financial support.

We hope you will find an opportunity to share in our efforts to raise the necessary funding to empower social and economic world change by supporting our 2022 Human Impact Fundraiser.

Warmly,

*Flynn*
